

# Getting Involved in the Holistic Water for Horticulture Project

Thank you for taking part in the Holistic Water for Horticulture (HWH) Workshop that took place at Hugh Lowe Farm on 6th March 2020.

The Workshop was really well attended by growers, producer organisations, retailers, suppliers, water companies, statutory and non-statutory organisations, support organisations, environmental charities, NGOs and more!

Several participants asked if it would be possible to provide online feedback after the Workshop on how to become involved in the project.

We have therefore created this online survey for you to indicate how you would like to be involved.

Please follow this link to open, complete and submit the form: <https://forms.gle/zdzuuXXqajhDDtid6>

Many Thanks!

The HWH Team
